

COMMSDAY SUMMIT SYDNEY 2025

**See the following top
presenters, more coming**

Australia's pre-eminent telecommunications industry conference CommsDay Summit returns to Sydney this June for its 24th edition.

CommsDay Summit is the forum for Australia's top telecoms leaders: CEOs of our major telecom network operators and retailers, senior leaders from the world's top telecom technology providers and the heads of Australia's telecom regulatory agencies and major co-regulatory stakeholders.

The Summit attracts around 400 delegates: a who's who of all the people you need to meet and talk with in Australian telecommunications, but intimate enough that you can network effectively and not get lost in the crowd.

The Summit is the forum for major industry announcements and set piece speeches from Australia's telecom leaders.

The topics covered move dynamically with the industry conversation and this year will cover hot button issues such as industry sustainability, maturation of 5G and fibre, the challenge of artificial intelligence, the sector's insatiable demand for energy and much more.

If you come to one event it should be this one. Australia's top telecom conference in Australia's biggest city.

Edison nominations close April 28

CommsDay's annual awards are back on June 17 at the Fullerton Hotel from 7pm.

This year we have awards to be presented for the best telecom marketing initiative, best sustainability initiative, best mobile infrastructure provider, best competitive fibre access network operator, best longhaul fibre network operator, best retail provider, best fixed network initiative or partnership, best mobile network initiative or partnership, best enterprise telco and best wholesale telco, along with an induction into the CommsDay Hall of Fame.

Nomination forms are available at www.commsday.com and full nominations must be made by COB 28 April 2025. No extensions will be granted!

Tables and seats will be made available for general sale later in April after we ensure all nominees are accommodated.

You've got to be in it to win it!
